PROFESSIONAL SUMMARY

Project manager with 3+ years across product, operations and software delivery, including 1+ year in dedicated PM roles. Coordinate multiple concurrent AI and software projects (FinTech, TravelTech, FoodTech) with a 12-member cross-functional team for clients in Canada, Saudi Arabia, Lebanon and India. Strong in Agile delivery, stakeholder communication and AI workflow planning (n8n, Claude, RAG). Founded two ventures from zero to launch.

PROFESSIONAL EXPERIENCE

Associate Project Manager Oct 2025 to Present

OyeLabs Technologies Pvt. Ltd. | India (Remote)

- Manage delivery of multiple concurrent AI and software projects (FinTech, TravelTech, FoodTech, internal automation) from discovery to deployment, reporting to the CEO
- Coordinate a 12-member cross-functional team (Backend, Frontend, Mobile, UI/UX, QA, AI Engineering); own sprint planning, timelines and cross-project dependencies
- Primary point of contact for 5+ client organisations: kickoffs, sprint reviews, milestone demos and weekly status reports
- Led delivery of a multi-channel sales automation (WhatsApp, web forms, live chat into Supabase and GoHighLevel), cutting missed leads from ~20% to zero
- Coordinated delivery of an AI financial coaching platform (RAG, multi-agent workflow) serving 5,000+ active users
- Keep milestones on track by resolving blockers early and managing dependencies across concurrent projects
- Maintain RTMs, risk logs, release notes, PRDs and user stories; coordinate QA, UAT and release readiness

Project Management Consultant (Freelance) Jun 2025 to Oct 2025

University of Mumbai | Mumbai, India

- Delivered MU Ideas, a digital innovation and incubation platform supporting 800+ affiliated colleges
- Owned planning, roadmap and delivery coordination across university leadership, incubator managers, government officials and college representatives
- Ran Agile delivery: sprint planning, sprint reviews and risk tracking

Co-Founder (Product and Operations) Apr 2023 to May 2025

AI Chef Master | India

- Co-founded a DPIIT-recognised AI food-tech venture; owned product strategy, roadmap and go-to-market planning
- Built a web MVP and grew the product waitlist to 12,000+ users
- Led a team of 10+ interns across product, marketing and operations
- Ran market research and customer validation to define MVP scope under tight resources; wound down after unsuccessful fundraising

Founder Feb 2021 to Nov 2022

House of Dishes | Mira Bhayandar, Maharashtra

- Founded and ran a home-based online catering and food delivery business, reaching ~INR 10L revenue within 6 months of launch
- Set up operations, pricing, CRM and customer engagement; managed a small team
- Wound down due to thin margins

Assistant Manager Jan 2018 to Mar 2019

Saraswati Engineering Works | Mira Bhayandar, Maharashtra

- Built an after-sales service process that grew inbound leads via IndiaMART, contributing to revenue growth from INR 45L to INR 1.02Cr during the tenure
- Managed client and vendor coordination, delivery timelines and procurement follow-ups across engineering projects
